#### REQUEST FOR INFORMATION ON USE OF ICPSR RESOURCES

To provide funding agencies with essential information about use of archival resources and to facilitate the exchange of information about ICPSR participants' research activities, users of ICPSR data are requested to send to ICPSR bibliographic citations for each completed manuscript or thesis abstract. Please indicate in a cover letter which data were used.

#### DATA DISCLAIMER

The original collector of the data, ICPSR, and the relevant funding agency bear no responsibility for uses of this collection or for interpretations or inferences based upon such uses.

## DATA COLLECTION DESCRIPTION

United States Department of Education. National Center for Education Statistics

POSTSECONDARY CAREER SCHOOL SURVEY, 1981: [UNITED STATES]  
(ICPSR 2383)

**SUMMARY:** This survey was designed to collect data on postsecondary institutions offering vocational education programs. These data are used to develop a directory that parallels existing U.S. Office of Education directories of colleges and universities, both public and private. The data collected give comprehensive information on career training opportunities and a complete universe of institutions from which samples may be drawn. Information on individual institutions includes identification and location of institutions, size of vocational enrollments, vocational education programs offered, specific accreditation data, and other general information.

**UNIVERSE:** Individual postsecondary institutions offering vocational education programs.

**NOTE:** The codebook and data collection instrument are provided as a Portable Document Format (PDF) file. The PDF file format was developed by Adobe Systems Incorporated and can be accessed using PDF reader software, such as the Adobe Acrobat Reader. Information on how to obtain a copy of the Acrobat Reader is provided on the ICPSR Web site.

**EXTENT OF COLLECTION:** 1 data file + machine-readable documentation (PDF) + SAS data definition statements + SPSS data definition statements

**EXTENT OF PROCESSING:** REFORM.DOC/ SCAN/ CONCHK.PR/ DDEF.ICPSR/  
UNDOCCHK.ICPSR

**DATA FORMAT:** Logical Record Length with SAS and SPSS data definition statements

**File Structure:** rectangular
